24/7 Warranty

This warranty applies only to the party that purchased the product from EnviroLeather™ (LDI Corporation). We will not negotiate any portion of a warranty claim with any party other than the original purchaser of our product. The purchasing party is responsible for negotiating and coordinating any corrective measures not covered by this warranty.

We guarantee our upholstery fabric will perform in accordance with generally accepted industry standards for up to three years from the date of purchase, providing our products have been properly installed, maintained, and used under normal conditions. EnviroLeather™ warrants that its products are free from defects in material and workmanship and are in compliance with written specifications, if any, EnviroLeather™ has supplied for the products at the time of purchase. We reserve the right to make changes without notice in design, specification, and color.

EnviroLeather™ will have a minimum of 30 days to resolve any significant quality dispute. Our exclusive obligation under this warranty, at our option, is replacing, or issuing credit for, the amount paid for the products. We disclaim any warranty of our products, express or implied, except as specifically set forth in this paragraph including, but not limited to, the warranties of merchantability and fitness for a particular purpose or application. We can only control the production of the product and that it meets our specification. How it is applied, cared for and maintained after purchase is outside our control. This warranty will be voided if recommended cleaning and disinfecting procedures are not followed. Please view the Care and Maintenance section of our website (enviroleather.com) for suggested best practices.

No other statement, description or promise of any kind constitutes a warranty. Under no circumstances will EnviroLeather™ (LDI Corporation) be liable for any damages or loss (including, without limitation, direct, consequential, economic, indirect, down time, or other damages) under any theory of liability, except for replacing, or issuing credit for the products.

EnviroLeather™ (LDI Corporation) is not obligated or liable to pay for any transportation, labor, or installation costs of replacement material. Any other charges or costs not covered by this warranty are to be negotiated on a case-by-case basis with the purchasing party only.
